DATA PROTECTION ACT 1998

The confidentiality of personal data held either on computer or within a manual filing system is covered under the Data Protection Act (1998). All companies who hold a person's details must be registered as data users on the data protection registrar. Personal data must only be used and disclosed to others for reasons, which are compatible with the purpose, for which is held. The information held will be accurate, relevant and kept up to date. Security measures are in place to stop unauthorised or accidental access to the data. By joining this programme you have consented to Waterstart (Sobriety Project a charity) and its partners holding and storing your personal details and accept that Waterstart (Sobriety Project a charity) and its partners must store my personal details for the purpose of providing training to myself.
